

Far West Division Summer Board Meeting – August 3, 2013
Davis, California

SAR REPORT

John K. verbal report:

Mild winter prompted limited need this season for SAR activity. The NSP SAR team gets requests for specific search needs, more level one search requests could incur a need for more training of the members. Demand remains in place and the state will continue to utilize the team as most counties do not have a SAR team for Level one search needs.

State of CA., EMSA dept is now called OES. One big change is all registered SAR members need background checks, costs/payment for the checks are still tbd. Costs submitted to state, repayment by state via a grant process, future check of members still tba for costs/repayment.

MOU will define payment/repayment process. Each person needs a one time check for inclusion to the
