August 2<sup>nd</sup>, 2014*

**End of Season Highlights: Hard to have an end without a beginning**

**Registration and membership is static with no new members and no transfers or lost patrollers to date**

**Financial: No winter season we had no expenses**

**Mt.Shasta patrol had zero volunteer patrol days and Mt.Shasta ski park was only open for four days on one run on entirely manmade snow and did not ask for any volunteers. I am pretty sure we exceeded our winter volunteer patrol days at the recent MudRun Summer event at the ski area.**

**Coppervale and Lassen:???? No report**

**Only issues are going to be to keep patrollers skills up with no winter patrol days.**
