

REPORT TO THE FAR WEST DIVISION  
**PROGRAM STATUS REPORT**  
*2013 – 2014 SEASON RECAP*  
REPORT DUE June 13, 2014

**PROGRAM:** Website

**FROM:** Rye Livingston

**DATE:** 6/19/14

**Limit report to 1 page — do not send as PDF — email to Secretary waits\_janice@cusdk8.org**

**SEASON HIGHLIGHTS** — total classes — total participants

Took over management of website, converting information into a basic site layout designed primarily to be easy to navigate. Was able to get most pages populated with content provided by supervisors.

**GOALS FOR COMING SEASON:**

Update design. Get supervisors to update their content for coming season, including content from supervisors who didn't respond last year. Also want to get LOTS of photos from our patrollers to post on the site.

**ISSUES and RESOLUTIONS:**

Main issue is getting content from supervisors for their area of responsibility.
