

REPORT TO THE FAR WEST DIVISION  
PROGRAM STATUS REPORT  
*MID SEASON – FWD 2013 - 2014 RECAP*  
REPORT DUE Feb. 27, 2014

**PROGRAM: Instructor Development**

**FROM:** Douglas Hill

**DATE:** 3/4/14

**Limit report to 1 page — do not send as PDF — email to Secretary waits\_janice@cusdk8.org**

**SEASON HIGHLIGHTS** — total classes — total participants

I am unable to pull reports from my link at NSP at this time due to their computer problems, so after filtering through my various e-mails, it looks like we had the following courses this fiscal year so far in FWD:

ID Courses: 8

Students: 45

ID Continuing Education Courses: 2

Student: approximately 40

**GOALS FOR COMING SEASON:**

To ensure proper dissemination of all of the new ID Course materials and make sure all instructors are up to date on these.

To create a new Powerpoint Program for the new materials and offer it as a resource to all ID Instructors who may choose to use it.

I am still considering applying for the National Program Director Position if it is still open.

**ISSUES and RESOLUTIONS:**

Of course, the ongoing computer issues at NSP with courses, instructor and IT updates, and supervisor reports are a nuisance, but we are living with as best we can so far.

Also, still don't know what is going on in Arizona with ID. No courses and no communications. I am willing to help with whatever they need if they will tell me what that is.
