

REPORT TO THE FAR WEST DIVISION  
SOUTHERN CALIFORNIA REGION STATUS REPORT  
*2014-2015 SEASON REPORT – due July 17, 2015*

**FROM:** Diana St Clair

**DATE:** 30 July 2015

**SEASON HIGHLIGHTS TO DATE:**

A Special “Thank You” to Bear Mtn and Snow Summit for being willing to host the majority of our training programs, at a moments notice, during the season, since they had the most snow and was open the majority of the season.

With little snow and sporadic storms we had another difficult season in Southern California.

Some of our Ski Areas opened for a very short season, others never opened.

All programs operated, which meant that we did a lot of traveling to other areas, driving as far north as

Tahoe, as far east as Las Vegas Ski and Snowboard Resort and as far south as Arizona.

**REGISTRATION/MEMBERSHIP:**

Registration is minimally down; another poor snow season has made recruitment extremely difficult.

Membership is still optimistic that El Nino is around the corner.

**ISSUES and RESOLUTIONS:**

Any issues or misunderstandings we may have had were resolved.

**SEASON GOALS STATUS:**

Attempt to keep patrol and patrollers involved in non-winter events to maintain patrol skills; i.e., mountain bike races at local ski areas, ski boat races, etc

Continue to encourage patrols to submit Merit Stars and awards for their patrollers.
