SEASON HIGHLIGHTS TO DATE — total classes — total participants

Instructor recertification classes held in both northern and southern California, and 11 Nordic Ski and Toboggan instructors recertified. Lack of snow has efforts to produce a draft of the Nordic Skills Manual still on hold. Hope to produce 4 sections of the manual prior to attending the national Nordic supervisor conference in Park City April 7-10 (immediately preceding PowderFall. So. Cal. interested in a Senior test and will be working with them. Also developed a Sidecountry Rescue Clinic for Alpine patrollers that can be taught to Alpine patrollers and covers the skills required to locate, access and extricate injured skiers who have ventured OOB. We plan to promote this course next season if we can get some division or regional financial support for equipment.

SEASON GOALS:

Draft of Nordic Skills Manual

ISSUES and RESOLUTIONS:

Instructor recertifications needed and accomplished.
