Senior Trainer Evaluator clinic now turns out good evaluators because of some adjustments in the course

Senior OEC was a success within the ESR.

Most are doing the hybrid refreshers the way they were intended, some fine tuning needed

OEC Candidate numbers have increased

GOALS FOR COMING SEASON:

Complete ICE clinic guideline Manual with committee.

Assure that the Senior T/E clinics are all orchestrated the same

Promote the Senior OEC program

Communication between region administrators, IT's, and instructors to be improved

To have all instructors comfortable with the new course registration system

Continue to ask for course evaluations from IT.s

ISSUES and RESOLUTIONS:

Refresher workbook, turn it in or not??

Hybrid refreshers or traditional, Would like to see all Hybrid done within the FWD
