#### ISSUES and RESOLUTIONS:

\* Have replaced or going to replace most of our Program Advisors with some new faces.

\* The objective is to help each MLR Patrol provide strong training opportunities and grow our

Instructor base.

\* To improve our training calendar presentation so that our membership is informed.

GOALS FOR COMING SEASON: \* Reestablished the MLR Website to be a useful tool for our membership. We have a new Webmaster. \* Grow our NSP Programs by providing more training opportunities. \* Reestablish our Senior Programs by scheduling Senior level training events. \* Will be asking each patrol to provide a list of Senior Trainees. \* I will be challenging our Senior Leadership to mentor new patrollers to move them toward becoming senior patrollers. \* MLR Region to provide an SEM for the 2016/17 Season. \* To develop a recruit program to grow our MLR Patrols membership and to ensure we are providing the needed OEC classes. \* 2016/17 Awards Dinner May 13, 2016
