

REPORT TO THE FAR WEST DIVISION
PROGRAM STATUS REPORT
MID SEASON – FWD 2015 – 2016 RECAP
REPORT DUE MARCH 2, 2016

PROGRAM: OEC

FROM: Kevin Qualseth 8/15

DATE: 8/150 to 3/16

Limit report to 1 page — do not send as PDF — email to Secretary waits_janice@cusdk8.org

SEASON HIGHLIGHTS TO DATE — total classes — total participants

We are getting comfortable with the Online Refreshers . As Instructors, we need to remember that the lecture has been done online. The on mountain portion is for hands-on. We need to remind all of this and not lecture on mountain.

Great Instructor Trainer clinic by Dave Pinsky and Davis Stepner, we did a modified version, and this worked as the participants seem to be on the same page when all was done

SEASON GOALS:

In 2017 we have many Instructors that will need to be recertified. I would like to start the process a year earlier.

All IT's will be held accountable for paperwork of the instructors. I guess what am trying to say is that the IT's will do their job

ISSUES and RESOLUTIONS:

The senior Program is strong within the ESR., needs some pushing in other regions.

We need to start getting more familiar with the OEC Online course as this will be the easiest way for new candidates to attend our OEC classes, we have a new platform and it is easier to use.
