SEASON HIGHLIGHTS TO DATE — total classes — total participants

1. Have signed up region women's program advisers for NorCal, Eastern Sierra and MotherLode. Still looking for one in SoCal and AZ regions.
2. 2 women's toboggan and/or ski clinics scheduled: Mar. 6 at Heavenly, and Mar. 19-20 at Mt. Shasta St.Pat's weekend. I will attend both.
3. Squaw Women's Summit: Coordinated by Heidi Ettlinger of Heavenly, held Mar. 6-9, second year of clinics, workshops and networking with women in NSP, PSIA and other ski related industries. I will attend and teach a toboggan clinic along with our national women's adviser, Linda Barthel and Heavenly toboggan instructor Leilani Connolly.
4. Bill Gibson sent me a database of all female patrollers in the Far West. This is a huge help and I was able to use it to advertise the Squaw Summit.

SEASON GOALS:

1. Find someone to represent the women's program from SoCal region.
2. For next year, visit MotherLode and/or SoCal regions.

ISSUES and RESOLUTIONS:

1. Lack of women's program region adviser from AZ (possibly having organization problems). Hopefully we will find someone for next season.
2. Lack of women's program region adviser from SoCal. Possibly a visit to the region would encourage someone to step forward and help.
