Report on Patrols:

Snowbowl Volunteer: This will be a critical test year to determine interest and level of activity.

Snowbowl Mountain Hosts: This group will likely grow with continued education of benefits and opportunities.

Mt. Lemmon: This small but active group will continue to struggle to remain active given recent snowfall patterns.

Continue to meet with patrollers from Sunrise and Mt. Lemmon to raise awareness of regional/divisional opportunities.

SEASON GOALS STATUS:

RD actively participate in on-the-hill events at each area.

Continue to explore opportunities to expand regional leadership team.

Collaborate with APP to hold senior-level clinic.
