SEASON HIGHLIGHTS TO DATE — total classes — total participants

It seems like once again the women’s events are all happening at the same time and at the end of the season! As Far West women’s program adviser, I will be attending:

Feb. 26, the 20th Heavenly Women’s clinic, toboggan and ski, lunch, t-shirts, swag, and a whole lot of fun and camaraderie! Probably about 20 will attend.

Mar. 4-5, the Mother Lode Region women’s clinic, back again after a couple years hiatus. This year it is at China Peak, I will help teach and am IT for the clinic.

Back to back with China Peak is the Women’s Summit, Mar. 6-8, this year at Mammoth. I will be teaching at least one toboggan clinic once again with Linda Barthel, national women’s program supervisor.

End of March will be possibly a visit to SoCal region with Big Bear ski patrol. I missed their women’s clinic but hopefully will fly down to connect with our new SoCal women’s program adviser, Cita Bodea, and can talk with the ladies there.

April 4-8 is Powderfall at Snowmass. I will be teaching 2 toboggan clinics again with Linda Barthel and connecting with female patrollers from all over the US.

SEASON GOALS:

Find a SoCal women’s program adviser, Completed! I now have at least one women’s adviser in each Far West Div region.

Visit with and attend a clinic in the Mother Lode Region, to be completed!

Visit with SoCal Region to connect and introduce them to the women’s program, hopefully to be completed

ISSUES and RESOLUTIONS:

None so far this season
