

REPORT TO THE FAR WEST DIVISION
NorCal REGION STATUS REPORT
2017-2018 SEASON REPORT – due JULY 26, 2018

FROM: Sam Lanier

DATE: July 19th 2018

Limit report to 1 page* — do not send as PDF — email to Secretary jrwaits40@gmail.com

SEASON HIGHLIGHTS TO DATE:

The Season was slow to start, open, close, open close, and good snow towards the end, but had a limited snow pack. Mt. Shasta had a new owner take over the reigns and new management. Mt. Lassen had a short season as well, with Coppervale getting a chance to open for a few weekends. No major events occurred this season with the limited snow pack

Registration/Membership: 64

Financial: Region FY 17 year end account fund of \$15,140.46

Report on Patrols:

Mt. Shasta Pro Patrol Director will be retiring this Summer, and new long time patroller, Ski Mountaineer, Nick Caselli will be taking over the reigns. Nick will bring a great level of experience and expertise. He has been with Mt. Shasta Ski Patrol for a number of years, and patrolled in Washington and helps set up Silverton Mountain each year. On the Volunteer side of things, not much to report. We had a slow season, so we didn't see many folks on the mountain.

Mt. Shasta continues to have success with the Shasta/Foothill Fire Program to bring on new blood from the younger level. We saw approximately 12 new kids this season, and many came up on the weekends to get more time and training in.

Lassen and Coppervale are still chugging along. Nothing new to report.

ISSUES and RESOLUTIONS:

Work with new ownership, and management at Mt. Shasta to assist new Patrol Leadership.

Low volunteerism

Low Snow Pack

Pray for snow

Host additional training events

Engage community support at local events

Recruit at the High Schools and College

SEASON GOALS STATUS:

Continue outreach to recruit more Ski Patrols

Conduct Fundraisers to seek out community support

Develop a stronger training presence within the Region

Host OEC Course in Mt. Shasta Area

Communicate at Corporate HQ's in San Francisco Bay Area of the need for volunteers and NSP Growth
