**SEASON HIGHLIGHTS TO DATE**

The program continues to move towards assisting members with obtaining member recognition. This is accomplished by assisting region advisors, PR's and RDs with advice and the proper forms for recognition submissions.

So far this year there have been very few submissions for national appointments/ LCAs, merit stars or other awards. However every award has been approved with the assistance of the region awards advisors. I expect many more of these to be submitted as the season continues.

Outstanding awards submissions should be making their way to the region awards advisor and their committees by the middle of March. Each region will then submit there winner to the division for Selection and submission to National.

Hopefully each region will be submitting quite a few for outstandings this year.

**SEASON GOALS:**

I have been able to attend a few region meetings and hope to attend regional awards or patrol awards dinners this spring. I hope the division board can decide sooner than later about the location of this year's awards banquet so members can make plans and attend this event.
