GOALS UPDATE FOR 2018-2019 .

- PR's "Managing Patrol Roster" for an accurate roster. All but 3 patrols registered by Nov. 15
- Supervisors have access the Course Reports again after none for a month Dec-Jan.
- IOR's need to list Assisting Instructors.
- IOR's and IT's closing courses two weeks after End Date – better; see Course Report above.
- Continue Alumni registration by Regions.
- Modified Challenge course as of 2-16-2019 = 7 courses with 26 students; more to be registered.
- Affiliate SARA now has PR access, OEC Instructors / IT reinstated

ISSUES and RESOLUTIONS:

- Members are paying their dues online, enrolling in courses, and accessing their training records on their profile. NSP is not going to improve the current system until a brand-new system is created in 2+ years.
- Candidates to NOT register as ASSOC; if Assoc, need to be changed to CANDIDATE
- Course Report for Region Advisors is incomplete and randomly includes courses in other disciplines.
