SEASON GOALS:

Move Tri Advisory back into Yosemite Valley

To have registered ICE courses for MTR, Avelanche, and Nordic programs.

ISSUES and RESOLUTIONS:

Was unable to hold in Yosemite this past year as after the flood then fire in the Park and personal changes the department to schedule was basically closed.

Thoes that did not attend due to location not in Yosemite missed out, the venue was senic with excelent weather.

Hope to be able to move back into Yosemite Valley at the "specal" Yellow Pines Camp site for this coming November. Usually in July we know the date.
