Women's Program Update

Regarding women's clinics, there are two currently scheduled. Feb. 16-17 at Dodge Ridge, ski and toboggan clinic, 2 days. Feb. 24, the Heavenly 22nd Annual Women's clinic, one day, toboggan and ski clinic.

Powderfall 2019, Snowbird UT!!! April 3-6. There are only a few spots remaining for registration. There are still clinics available. This is a great opportunity to improve skills and meet other patrollers from throughout the US and beyond!

We have 2 possible openings in NorCal region and Eastern Sierra Region for women's program advisers. This is a great opportunity to step up to a larger role in the Far West division! That is our main goal, to help advance more women to administrative positions and higher levels of involvement!

Trudy Nye
Far West Div. Women's Program Adviser

SEASON GOALS:

- 1) Continue to encourage women to move up the NSP ladder and get involved as instructors, board members, advisers, etc.
- 2) Help Arizona and SoCal regions to get a women’s toboggan clinic organized for next season (each had a clinic set up this season but had to cancel for various reasons). Ultimate goal is to have every region having a toboggan clinic each season.
- 3) Possible interest in a Division wide toboggan and ski clinics for next year.
- 4) Find good candidates to fill upcoming spots as Eastern Sierra Region and NorCal women’s advisers.

ISSUES and RESOLUTIONS:

Only as mentioned in previous section, needing 2 region women’s advisers for next season. I have contacted both current women’s advisers for the regions and will work with them and give suggestions on finding a replacement.

Possible problems with visiting patrollers not allowed in toboggan clinics on some SoCal ski areas (brand new issue this season). Will work with division OET advisers to resolve this issue.
